COATINGS LTD

SPECIALIST PAINTS, COATINGS & AEROSOLS

We have for over 40 years supplied and applied technically advanced coatings for individuals and industry. We have gained a reputation in both industrial and consumer markets for our knowledge, experience and customer service.

We also offer a full range of products and solutions to cover your large scale maintenance and renovation works. From metal cladding rejuvenation, a new heavy-duty floor coating, full roof renovation or more challenging maintenance and restoration projects.

- From colour change to complete renovation
- Minimal downtime thanks to quick drying coatings
- Extensive network of approved coating contractors
- Technical advice and on-site inspection
- Insurance backed guarantees
